

John # 14

“In the Spirit and Power of Elijah”

(A Grace Believer)

Luke 1:5-25; Matthew 3:1-6

The Lord Jesus Christ is the entire plan of God which was brought to earth and the plan is grace from start to finish!

A grace believer always remains oriented to grace and in so doing, does not promote himself, but the Lord Jesus Christ.

A grace believer is always relaxed in himself because he's oriented to God.

The grace believer is solely concerned with what God says about him and not with what man thinks or says about him.

The grace believer doesn't spend his time and energy declaring who he is or what he is here for,

he just quietly does it.

As believers in Jesus Christ, God has a purpose for our lives as long as we live and fulfillment of it depends upon our knowledge of biblical truth.

Some people acquire greatness in life but John the Baptist was born with it.

A grace believer is successful within the framework of God's grace and therefore, success never negatively effects him.

A grace believer always remains conscious of the Lord Jesus Christ and occupied with Him and not himself, others, circumstances or things.

Just as the son of the bondwoman always persecutes the son of the freewoman, religion cannot tolerate grace.

A little leaven (legalism) leavens the whole lump; Galatians 5:9.

When a person is successful in the plan of God, it is because of Who and what God is and never who and what he is.
