

“Jesus Is Saying If Not Me Than Who?” *John 6:41-47 Exodus 16:1-4*

The Lord Jesus always avoided all temptations and remained in the Father’s will which brought Him to the cross to die for the sins of the world.

They complained before Jesus sent the bread; they complained while Jesus was sending the bread and they complained later when Jesus said “I am the Bread of life.”

When a person is negative toward God’s Word, he is irrational and not capable of clear thought.
