

“If God Were Your Father, You Would Love Me”” *John 8:33-47*

We will remain hopeless, helpless and aimless in life if we don’t continue in a consistent pursuit of biblical truth daily.

Decision and self-discipline must combine to equal consistent concentration.

For the believer in Jesus Christ, it’s concentration or vegetation.

“Truth” refers to categories of divine revelation designed to match the empty shelves of our souls.

It is exclusively the mind of the Living Word, Jesus Christ aka biblical truth or the written Word that frees us to serve the Living God.

Knowledge of biblical truth is the greatest virtue in the Christian way of life and it’s absolutely necessary for our function in the plan of God by the power of God through the grace of God.

Discipleship is related to learning God’s Word.

A disciple is a believer in Jesus Christ who chooses to continue to learn the Word of God in spite of distractions.

Every believer is graciously equipped to learn by means of the indwelling Holy Spirit and the divinely inspired Canon of the Holy Scriptures.

If children have self-discipline, they appreciate and do not abuse their freedom.

Enforced discipline should be replaced by self-discipline.

Freedom is simply operating within a framework of self-discipline.

Self-discipline leads to concentration which leads to absorption which leads to development of the human soul and spirit orienting the believer to God’s grace plan which then produces great success.

Every believer who becomes a disciple is free to produce divine good as a Royal priest and ambassador.

The religious leaders thought they were the only ones “free” to serve God because of their physical birth rite, their circumcision and of course, their system of works-oriented salvation.

The Lord Jesus could have made an issue out of politics, government or religion but He again remained true to His mission and made it a spiritual issue.

The truly free Man Jesus Who was born without Adam’s original sin and his sin nature, was qualified to pay the ransom price for all slaves.

The Jewish race was founded on regeneration.

There is no room for truth in a religious soul.

Jealousy is a basic mental attitude sin and bitterness, vindictiveness and hatred are secondary mental attitude sins which result from jealousy.
