**If the Lord Jesus has not touched our spiritual eyes, we’re not seeing.**

***Without the Word of God, there can be no conversion.***

**The brilliant blind man listened to and obeyed Jesus’ command without suggesting an alternative solution.**

**The blind man was outwardly changed or physically healed in verse 7 and inwardly changed or spiritually healed in verse 38.**

***The important thing for us is not to see Jesus as many certainly did but to believe Him as few did.***

**The Pharisees’ major premise: All people of God keep the Sabbath.**

**The Pharisees’ minor premise: Jesus does not keep the Sabbath.**

***The Pharisees’ conclusion: Jesus is not of nor from God.***

**The true major premise: Only someone of and from God can open the eyes of a man born blind.**

**The true minor premise: Jesus opened the eyes of the blind man.**

***The true conclusion: Jesus is of and from God.***

**UNBELIEF ALWAYS HAS A FALSE CRITERIA.**
