“Set Free from Sin”

Part 2

Romans 6:8

The mirror is the Word of God and we look into the Word to produce the reflection of the humanity of Jesus Christ.

We have equality to succeed or fail under the freedom God has provided.

The blood of Christ covers the last 3 hours on the cross when He who knew no sin was made sin for us and His first death on the cross, the blood of Christ death, validated the new covenant and the second time He died on the cross, He died physically and that fulfilled the first covenant.

Every Church Age believer lives in the Holy of Holies, the palace forever, accomplished by something unique, the baptism of the Holy Spirit, our positional sanctification.

Another unique factor of the Church Age is every believer is a royal priest; a new dispensation or era means a new unique covenant authorizing a new priesthood.

Since the Church Age is the intensified stage of the angelic dispute, all get attacked: the Word, the communicator and the local church.

We are God’s personal representatives and this is the only age where God has represented Himself through all believers.

The strategic victory of Jesus Christ along with the interruption of the Jewish Age leads to something unique: the intensification of the angelic dispute.

Knowing we’re a new spiritual species makes us aware of the tremendous requirements related to our spiritual life.

Equality originates with the baptism of the Holy Spirit, so the first time anyone is equal is the moment they believe in Jesus Christ placing them in union with Him.

Freedom guarantees and manufactures inequality as some believers will advance to maturity and become winners, while other believers will use their free will to be losers.

Invisible heroes in the Church Age change the course of history, so that’s why it’s so important to become mature.

As we understand and function under God’s problem-solving devices, we become spiritually self-sustaining in the privacy of our priesthood, resolving our own problems, including the greatest problems in life.

We do not advance past spiritual-self-esteem unless we pass 4 tests: people, thought, system and undeserved suffering.

Invisible God plus invisible assets plus invisible power equals invisible heroes.

Since the believer is identified with Jesus Christ in His deaths and burial, it is a logical conclusion that he is identified with Him in His resurrection, ascension and session.

Retroactive positional truth rejects positionally and separates us positionally from human good and evil but current positional truth relates us to the King of kings and Lord of lords.
