*“The Gospel of God” Part 4*

*Rms1:2; Isaiah 53*

**Isaiah is the greatest doctrinal document on the details of the cross in the Scriptures. Messiah was revealed through prophecy.**

**Only twice in the history of the human race has a living person died twice.**

**This is the news that the world needs more than anything and someone has to tell the human race, so that’s where we come in and why we’re here.**

**In other words, Creation was easy, but when it came to providing salvation, He had to use His arm.**

**The human race receives God’s revelation; no one in the human race ever earned it or deserved it.**

**The Jews expected the Messiah to arrive as a full-grown tree, in majesty the first time; but that’s the way He is coming the second time.**

**The founder of the Jewish race had to become a plant — true humanity — in order to go to the cross.**

**Jesus wasn’t dressed up like a king and because the Jews looked at life from the human viewpoint, they didn’t see Messiah from the Scriptures and so, they rejected Him.**

**Religion always puts on a mask of helping people but religion can’t help anyone and then Jesus Christ comes along and He can and does help people.**

**Religion is a lie and therefore, it cannot stand the truth.**

**Jesus knew the affliction of being maligned, betrayed, deserted, denied, slapped, punched and whipped.**

**Jesus knew the affliction of being maligned, betrayed, deserted, denied, slapped, punched and whipped.**

**We need to remember when we are experiencing times of grief that there is no heartache in life that Jesus Christ Himself did not endure while on this earth.**

**The basic fear of man is the future, death and beyond and Jesus has taken away the fear of death; as He has destroyed it by dying for us, taking our place, so that now death is merely going through a dark valley and into His presence for evermore.**

**Jesus Christ became a Servant; a porter to carry our sins when He died on the cross and the only burden that He ever carried that caused Him to scream was our sins.**

**Jesus stood up in our place and was struck down.**

**Jesus stood up in our place and was struck down.**

***God the Father also struck Him as He poured our sins upon Him as a judgment.***

**Jesus stood up in our place and was struck down.**

***God the Father also struck Him as He poured our sins upon Him as a judgment.***

**Christ worked for us so that we will never have to work for salvation.**

**But for the person who rejects Christ, his own works will be used to strike him at the last judgment.**
